Rider Scrubbers

RS20

20" Traction-Drive Rider; 19-gallon tanks; 34"squeegee; on-board charger; 66 lbs pad pressure; easy to maneuver; magnetic pad driver included; Available in Lithium-Ion only.

RS26+

26" Traction-Drive Rider; 29-gallon tanks; 40"squeegee; on-board charger; up to 165 lbs pad pressure; easy to maneuver; pad drivers included.

RS28L+CY

28" Traction-Drive Cylindrical Rider; 29-gallon tanks; 40"squeegee; on-board charger; up to 110 lbs pad pressure; easy to maneuver; brushes included.

RS28-OB

28" Traction-Drive Orbital Rider; 29-gallon tanks; 40" squeegee; on-board charger; up to 160 lbspad pressure; easy to maneuver; pad drivers included; Available in wet cell and AGM only.

RS32+

32" Traction-Drive Rider; 29-gallon tanks; 40" squeegee; on-board charger; up to 165 lbs pad pressure; easy to maneuver; pad drivers included.

Rider Sweeper

iS1100L+

44" path (2-side brushes) or 39" path (1-side brush); large hopper; dust-control system; on-board charger; ergonomic compact; easy to operate controls.

Autonomous Scrubber

Cobi 18

18" path; cylindrical brush; debris hopper; 2.5-gallon tanks; on-board charger; easy to operate controls.

Walk-behind Auto Scrubbers

Y-Series Walk-Behinds
Premium Clean, Engineered to Reduce Waste

i20Y

20" pad assist walk-behind scrubber. Lead acid or AGM powered. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i20YL

20" pad assist Lithium-ion powered walk-behind scrubber. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i20YT

20" traction drive walk-behind scrubber. Lead acid or AGM powered. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i20YTL

20" pad assist walk-behind scrubber. Lead acid or AGM powered. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i20YT-OB

20" orbital traction drive walk-behind scrubber. Lead acid or AGM powered. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Cast-aluminum heavy duty squeegee assembly. Includes pad driver.

i24YT

24" traction drive walk-behind scrubber. Lead acid or AGM powered. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i24YTL

24" traction drive Lithium-ion powered walk-behind scrubber. Up to 99 lbs. of pad pressure. Large 16-gallon tanks. Magnetic pad drivers, cast-aluminum heavy duty scrub deck, and squeegee assembly.

i18B 18" Pad-Assist
i18C 18" Cord-Electric

9-gallon solution tank; 30" squeegee; on-board charger; AGM battery (i18B only); 82' power cord (i18C only); gear-driven brush motor; compact design; 17" brush included

i15B

15" Pad Assisted Battery Scrubber; 4-gal. solution tank; 5-gal. recovery tank; 24V 35AH AGM Battery; All new, lightweight and compact design; Pad driver and brush included

Cleaning Is a System. Not a Single Purchase.

More Uptime

Machines stay productive longer with fewer breakdowns and service disruptions.

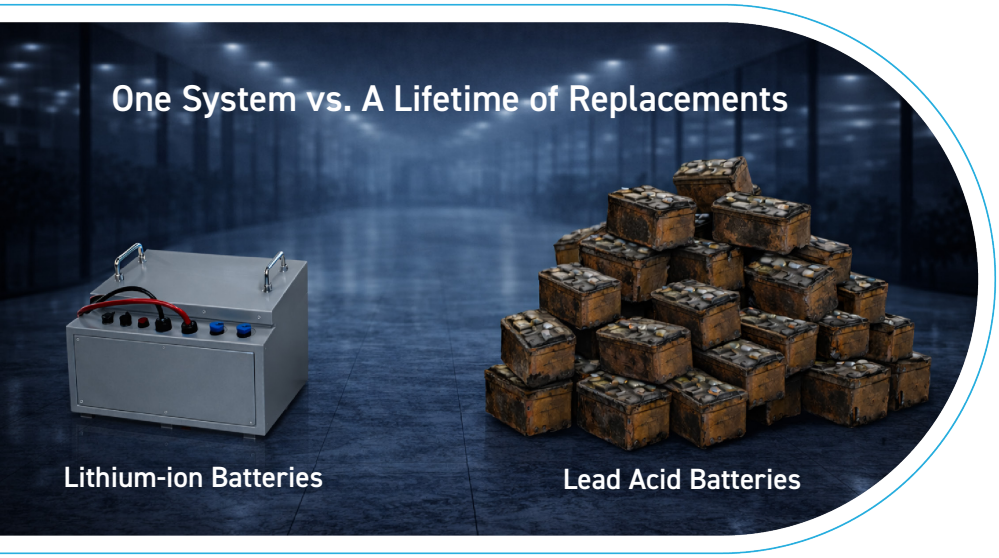

Lower Cost to Own

Efficient design and lithium power reduce maintenance, energy use, and lifetime cost.

Easier to Operate

Intuitive controls and ergonomic design simplify daily use across teams.

LITHIUM-ION BATTERY GUARANTEED FOR THE LIFE OF THE MACHINE.

1. **LASTS 8X LONGER** than traditional scrubber batteries.
2. **MAINTAINS LONGER RUN** time over life of the battery.
3. **SAFE, MAINTENANCE FREE, RECYCLABLE**

ICE automatic scrubbers carry a
5 YEAR WARRANTY
on all parts and labor with the exception of "wearables" such as brushes, pad drivers, hoses, belts, and switches.

INDUSTRY'S LONGEST EASIEST WARRANTY

LIFETIME LITHIUM BATTERY WARRANTY
