X-4700A/X-4700AM

PROFESSIONAL 3-STAGE HEPA AIR SCRUBBER

The X-4700AM features a variable speed control switch and can be daisy chained with 2 built-in GFCI power outlets. An integrated hour meter monitors billable time. Stackable and lightweight for easy storage and transportation, the attached fitted foam cap will prevent contamination between jobsites and storage. The compact and lightweight design is ideal for water damage restoration and a variety of construction applications. An optional Activated Carbon Filter is available in remediating smoke damage caused by fire, neutralizing pet odors, and other noxious gases.

- Stackable and lightweight for easy transport and storage
- Foam Cap to contain Contaminants when moving units
- Dual Thermal protection
- 1 Year Manufacture Warranty
